## SUMMARY

**Determined and teamwork-oriented computer science major with 4 years programming experience. Currently seeking opportunities for Summer 2021.**

## EDUCATION

**Illinois Institute of Technology - GPA 4.0**

- *Bachelor of Science in Computer Science* by May 2023.
- *Master of Science in Data Science* by May 2024.

**Relevant Coursework:** Data Structures, Computer Organization and Architecture, Discrete Structures, Database Organization, Systems Programming, Algorithm Analysis, Technical Communication.

## EXPERIENCES

- 2020
- **VandyHacks Hackathon - *Student-led hackathon through Vanderbilt University***  
Awarded "Best Career Hack" title for group project analyzing participation in Zoom chat.
  - **BEYA STEM Conference - *Professional conference and career fair in Washington D.C.***  
Attended leadership and diversity seminars and networked with top American companies.
  - **Google Hash Code Challenge - *Online global optimization problem challenge***  
Produced effective solution to named optimization problem, finishing in top half globally.
- 2019
- **Google Tech Challenge - *Team-building problem solving competition on campus***  
Collaborated with other students and shared ideas and skills to answer complex problems.

## SKILLS

Java • Python • C • MySQL • Microsoft Office • Google Workspace • Github • HTML •  
ROBOTC for VEX Robotics • MIPS Assembly Language.

## LEADERSHIP ROLES

- **Association for Computing Machinery - Women's chapter (2019-Present)**  
Volunteered as director of marketing for executive board. Responsibilities include mass communicating events, managing social media accounts, and assigning tasks to committees.
- **Illinois Institute of Technology Camras Scholars program (2019-Present)**  
Selected as a member of a reputable club for scholars exhibiting high quality in character, leadership, and work ethic. Received full tuition scholarship from organization.
- **Illinois Institute of Technology Women's Varsity Soccer (2019-Present)**  
Recruited for an NCAA Division III competitive soccer team. Skills require communicating clearly, functioning as a team-player, and accepting criticism to make improvements.

## AWARDS

- 2020
- **Illinois Institute of Technology Dean's List**, for superlative academic standing.
- 2019
- **College Board AP Scholar Award**, for multiple exceptional AP test scores.
  - **Quincy Jones Music Award**, for excellence in symphonic band and solo piano.
